Thanks Greg. I'm at 818-515-2159. (That's my cell.) I'm in a YMCA Board meeting until early afternoon. After that I'm free, although I may not be staying up as late as you will be.

Look forward to talking with you. Thanks for the email.

Mr. Duckworth,
Captain Leslie, the Commanding Officer of Wilshire Area (LAPD), asked me to contacting you about additional resources available to help our homeless population.
Do you have a contact number and availability tomorrow to speak? I work from 4PM - 2AM tomorrow and would like to speak about the church program you mentioned via email.
Thank You,
Sgt. Greg Morgan
